# AWV1252US | Targus Screen Protector for iPad Air

The Targus Screen Protector for iPad Air is designed to protect the device from scratches and reduce the amount of fingerprints or smudges visible on the screen. Featuring a specially formulated adhesive, the protector is bubble-free, easy to install and requires no liquid or solution for installation. The Targus screen protector conveniently reduces glare for increased visibility, making the iPad more functional indoors or outdoors. Viewing clarity, overall brightness and touch-sensitivity of the iPad screen remain the same while providing the utmost in protection.

Compatibility – Designed specifically for the iPad Air

Functionality – Protects screen from scratches; Film surface reduces fingerprints and smudges; Anti-glare for easier viewing; Easy application with bubble-free adhesive

Material – Specially formulated adhesive is bubble-free; No liquids required to install; Screen protector does not affect screen brightness or touch sensitivity

RoHS Compliant – Yes
